Carolina

Chorus:

Carolina, I miss those mountains high
Carolina, Your crystal clear blue sky
And the one I love in Hickory waits
For my return sometime
How I miss my home down south in Caroline

I make my living haulin' freight
From Charlotte out to Frisco
I've seen a lot of truck stops along the way
Sometimes in New York City,
Lord, I feel so out of place
I stay a little homesick every day

Chorus

I see the dirt road winding down
The mountain from our cabin
The stream that flows at the bottom of the hill
Tall pines stand to greet me there
When I finish up my run
And the candle in the window's burnin' still

Chorus
