The Graveside Song (AKA Don't Kneel at my Graveside)

High on a hill above the sea  
There is a grave standing underneath the trees  
Upon the stone these words are found  
A prayer to all who's earthly bound

Chorus:

Don't kneel at my graveside and cry  
I am not there, I did not die  
For I am the clouds that drift on by  
Don't kneel at my graveside and cry

I am the fields of golden grain  
I am a cool wind before the summer rain  
And in the stillness of the night  
I am a candle burning bright

Chorus

I am the diamonds in the snow  
I am a thousand stars around the heavens that blow  
And in the silence when you wake  
I am the dawning of the day

Chorus
