Living on Love

I've got you in the morning
Through the day you're all I'm thinking of
I can't wait for the night to come knowing I'll be with you
You might say I'm living on love

If I had a world of treasures
I know that could never be enough
'Cause without someone to share it with
To me it would mean nothing
I'm happier just living on love

Chorus:

Living on love, you're all I've ever wanted
Living on love, you're all I'll ever need
Yes all I need is being close enough so I can hold you
You might say I'm living on love

Even though I have no riches
I'd never, ever dream of giving up
'Cause the light of love is shining down on everything we do
We're getting by just living on love

Chorus
